Client Success Stories

Trusted by Leading Fleet Operators

Beaverton School District Highlight

"OpConnect's reliability has been critical to our school bus electrification program. Their 98% uptime ensures our buses are always ready for morning routes."

— Transportation Director, Beaverton School District

ACERTUS Highlight

OpConnect's charging infrastructure supports ACERTUS's vehicle transport and logistics operations across multiple locations, enabling seamless fleet electrification while reducing operational costs.

Who we cater to Page:

compliant hardware and Minority Business Enterprise status make us an ideal partner for public fleet electrification.

Utility Fleets

For electric utilities and field service teams, OpConnect delivers resilient charging built for high-uptime operations. Our solutions support depot and yard deployments with load management, flexible access controls, and reporting that helps optimize energy use and reduce peak demand costs—so drivers stay powered and ready around the clock.

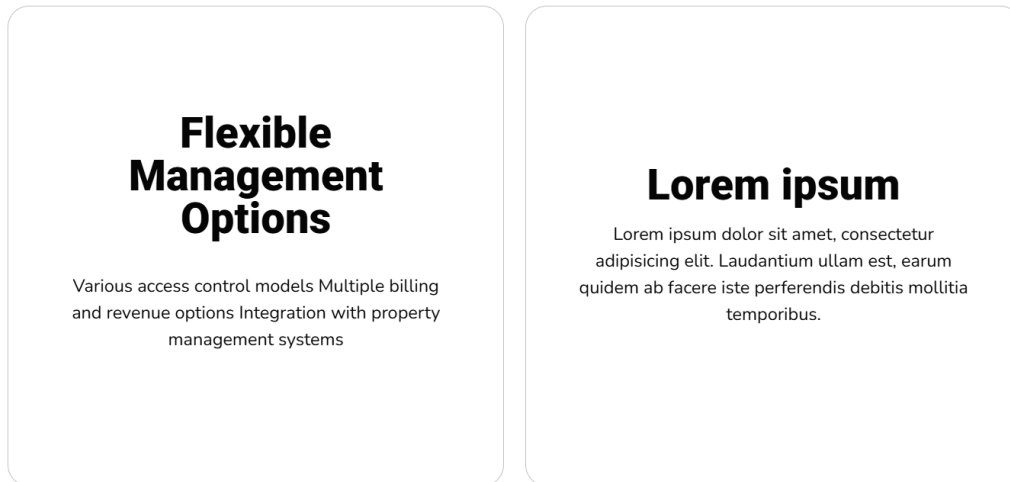

Private Fleets

The Utility Fleets item in the Fleet Types section does not have a dedicated inner page, while other fleet types (Public Fleets and Private Fleets) have corresponding pages; please review and advise

White Papers & Research

In-depth analysis and research on key topics related to EV charging and fleet electrification.

The image shows three white paper cards arranged horizontally. Each card has a grey placeholder image at the top, followed by a title, a page count, and a download icon. The titles are: "The Total Cost of Ownership for Electric Fleet Vehicles", "Best Practices for Fleet Charging Infrastructure Planning", and "Maximizing Charging Infrastructure Reliability". Each card indicates it is 24 pages long.

White Paper Title	Page Count
The Total Cost of Ownership for Electric Fleet Vehicles	24 pages
Best Practices for Fleet Charging Infrastructure Planning	24 pages
Maximizing Charging Infrastructure Reliability	24 pages

Download White Papers

In the White Papers & Research section, there are no inner pages, the download icons do not have links, and the "Download White Papers" button is not linked.---mayank
